

*Letter from Heaven
For Our Beloved Mom*

*When tomorrow starts without me,
and your heart begins to ache,
please remember all the love we shared,
and know it didn't break.*

*If the morning light should greet your eyes
with silence in the air,
don't think I'm gone,
for my love for you is everywhere.*

*So if you feel a whisper
as you move throughout your day,
that's just me wrapping love around you
in my quiet, heavenly way.*

*When tomorrow starts without me,
please don't feel we're far apart—
for every time you think of me,
I'm right there in your heart.*
