

***"I'll Fly Away"***

*Some glad morning when this life is o'er  
I'll fly away  
To a home on God's celestial shore  
I'll fly away (I'll fly away)*

*I'll fly away, oh glory  
I'll fly away (In the morning)  
When I die, Hallelujah, by and by  
I'll fly away (I'll fly away)*

*When the shadows of this life have gone  
I'll fly away  
Like a bird from prison bars has flown  
I'll fly away (I'll fly away)*

*I'll fly away, oh glory  
I'll fly away (In the morning)  
When I die, Hallelujah, by and by  
I'll fly away (I'll fly away)*

*Just a few more weary days and then  
I'll fly away  
To a land where joy shall never end  
I'll fly away (I'll fly away)*

### *"Let Me Go"*

When I come to the end of the road  
and the sun has set for me,  
I want no rites in a gloom-filled room;  
Why cry for a soul set free?

Miss me a little, but not for long,  
and not with your head bowed low.  
Remember the love we once shared,  
miss me, but let me go.

For this is a journey we all must take,  
and each must go it alone.  
It's all part of the Master's plan,  
a step on the road to home.

When you are lonely and sick at heart,  
Go to the friends we know.  
Bury your sorrows in doing good deeds,  
miss me, but let me go.
