

Charlotte was a self-taught professional who built a successful career with Ault Incorporated for over 30 years, where she worked in Human Resources and advanced within the company through her own hard work and determination.

No one did Christmas quite like Char & Clare. For many years, they opened their home and hearts to family on Christmas Eve, creating celebrations filled with presents, wonderful food, music, and memories. They spared no effort in making Christmas special, and the traditions and joy they created will live on through the generations of their family.

Above all, Charlotte's greatest legacy is the family she and Clarence built together, spanning five generations and filled with countless memories of a life well lived and deeply loved.

Remember Me

Remember me when flowers bloom
Early in the spring
Remember me on sunny days
In the fun that summer brings

Remember me in the fall
As you walk through leaves of gold
And remember me in the wintertime
In the stories that are told

But most of all remember
Each day right from the start
I will be forever near
For I live within your heart.
