Visitation and Sharing of Memories

Harley Nicole Stratton, 25, of Centerfield, our beloved daughter, granddaughter, sister, aunt, and friend, passed away unexpectedly on December 8, 2025, leaving a profound void in the hearts of her family and all those who knew her.

Harley was born on July 21, 2000, in Cedar City, Utah, and was the true heart of her family. She was a vibrant soul whose gentle nature and deep yearning for new experiences touched everyone she met. She embraced life as an adventure. Her passion and curiosity were demonstrated by her love of singing out loud, her excitement in trying new recipes, and her commitment to seeing new things. She possessed a remarkable adventurous spirit, actively learning a new language in pursuit of her beautiful dream of one day moving to Korea.

Harley inspired us by being able to find joy in the little things. She loved to dance in the rain. She would order McDonald's Happy Meals purely to collect the toys. She enjoyed doing puzzles, and she was the first one to initiate games during family events.

Harley walked this world with remarkable gentleness. It was reflected in the way she spoke and in the kindness she showed everyone she met. We saw it in her unwavering love for her horses and dogs, the patience she showed them, and the peace she found in their presence. Her gentle nature wasn't a sign of weakness; it was a profound testament to the strength and purity of her character. She taught us that a quiet heart can have the loudest impact.

Her heart was the most evident, though, in her relationship with her niece and nephews. She also found immense joy and pride in her role as an aunt. She had a unique, special bond with each of them, and she dedicated herself to showering them with encouragement, fun, and especially bubbles whenever the opportunity presented itself!

Harley lived a life full of passion and genuine kindness. The greatest way we can honor Harley is to carry forward the light she gave us.

Harley, we will miss you endlessly, but your love and gentle heart will forever be part of us. We love you always.
