# *I'm Going Home*

I'm going home.  
Weep not for me  
For I have lived.  
And that's' enough.  
To taste all of life's wonders.  
I have faltered  
I have fallen  
I have won and lost  
... many battles.  
I have tasted sweetness and  
sorrow.  
Borne happiness and pain.  
Loved truly  
...and deeply.  
Been both foolish  
... and wise.  
I've seen the best  
...and the worst  
In myself  
...and others.  
Appreciated beauty  
...in the smallest of things  
I've witness life  
Through many ups  
....and downs.  
I have Lived!  
And now as this lifetime closes  
...another door opens.  
Close your eyes.  
Unlock the window to your  
heart.  
Witness as I walk through that  
door  
With gladness in your heart for  
me.  
My spirit now set free.  
I am glorious.
