

## *When Tomorrow Starts Without Me*

When tomorrow starts without me And I'm not here to see  
If the sun should rise and find your eyes Are filled with tears for  
me I wish so much you wouldn't cry The way you did today  
While thinking of the many things We didn't get to say I know  
how much you love me As much as I love you And each time  
you think of me I know you'll miss me too But when tomorrow  
starts without me Please try to understand That an angel came  
and called my name And took me by the hand And said my  
place was ready In Heaven far above And that I'd have to leave  
behind All those I dearly love But when I walked through  
Heaven's gate I felt so much at home When God looked down  
and smiled at me From His great golden throne He said this is  
eternity And all I promised you Today your life on earth is past  
But here it starts anew I promise no tomorrow For today will  
always last And since each day's the same way There's no  
longing for the past So when tomorrow starts without me  
Don't think we're far apart For every time you think of me I'm  
right here in your heart
