**Lee Roy Fuller**

July 6, 1948 – September 24, 2026

On September 24, 2026, at the age of 78, Lee Fuller passed away peacefully while holding the hand of his son. Lee demonstrated a calmness and quiet endurance throughout all the health challenges he faced. His "take it as it comes" and "one day at a time" mindset encouraged us all and saw him reach his goals of attending the wedding of his grandson and witnessing the birth of his great-grandson, even when he was so sick.

Family, friends, and hospital staff noticed how Lee lived in such a way as to not burden others, always purposefully putting his family first. Everyone that knew Lee remembers just how truly kind he was.

Lee never stopped missing the love of his life, Patricia Fuller, and we are so thankful to know he is with her again.

He is survived by his three children, Rhonda (Shane), Rick (Karen), and Marni (Dustin). He is also survived by his nine grandchildren, three great-grandchildren, and his siblings, Donna Pfeifle (Chris), Dave Fuller (Judy), Brenda Pfeifle, Wayne Davidson, and Wendy Joujan.

Lee grew up in the Swalwell, AB, area, the son of Paul and Daisy Fuller. After their wedding, Lee and Pat lived in the United States for about ten years. They then moved back to Canada, settling in Linden for two years before achieving their dream of buying a farm of their own. What started out as seven pigs in the old red barn evolved into a thriving hog business. As well as being a loving and devoted husband and father, Lee was a loyal and valuable employee, working for Bertram Drilling for 54 years.

"In times of suffering, you see a person's true character. Lee stayed calm, accepting, and others-minded first. His last words to each of his family members over the final days were 'I love you.' We will miss him until we see him again."
