*My beautiful daughter how  
I'm going to make it through I don't know*

*You filled my life with so much joy and  
happiness and I don't know if I  
have the strength as I once had.*

*Only God knows why he has taken my beautiful  
daughter away from me; and leaving me in so  
much pain.*

*Chyrne continue to shine your beautiful light  
down on us for we need your strength  
to get us through.*

*No matter that our hearts feeling the loss  
God has gained a beautiful angel in you.*
