

Now That I Am Gone

Now that I am gone, release me – let me go
I have so many things to see and do.
You must not tie yourself to me with tears
Be happy that we had so many years.
I gave you love, you can only guess,
how much you gave me in happiness.
I thank you for the love each have shown,
but now it is time to travel on alone.
So grieve awhile for me if grieve you must,
then let your grief be comforted by trust.
It is only for a while that we must part,
so bless those memories within your heart.
I will not be far away, for life goes on.
So if you need me, call and I will come.
Though you cannot see or touch me, I will be near
And if you listen with your heart, you will hear
All of my love around you, soft and clear.
Then when you must come this way alone,
I will greet you with a smile and Welcome You Home
