Footprints

One night I dreamed a dream.
As I was walking along the beach with my Lord.
Across the dark sky flashed scenes from my life.
For each scene, I noticed two sets of footprints in the sand,
One belonging to me and one to my Lord.
After the last scene of my life flashed before me,
I looked back at the footprints in the sand.
I noticed that at many times along the path of my life,
especially at the very lowest and saddest times,
there was only one set of footprints.
This really troubled me, so I asked the Lord about it.
"Lord, you said once I decided to follow you,
You'd walk with me all the way.
But I noticed that during the saddest and
most troublesome times of my life,
there was only one set of footprints.
I don't understand why, when I needed You the most,
You would leave me."
He whispered, "My precious child,
I love you and will never leave you
Never, ever, during your trials and testings.
When you saw only one set of footprints,
It was then that I carried you."

Forever IN OUR Hearts

Grandpop, today we say goodbye,
with heavy hearts and tears in our eyes.
It's hard to believe you're no longer here,
but your love will remain with us through the years.

We were blessed to call you Grandpop,
and even more blessed to know your love.
The memories you gave us
are treasures we'll always think of.

We'll remember your smile,
your laughter, and your ways,
the moments we shared
that will never fade.

There are so many things
we wish we could say,
so many memories
we wish we could replay.

Though we can't hold you
or hear your voice anymore,
we'll carry your love with us
forever in our hearts.

You may have left this world,
but you will never leave our lives.
A part of you will always live
in all of us.

So rest peacefully, Grandpop.
Know that you were deeply loved.
We are proud to be your grandchildren,
and grateful for every moment
we were given with you.

Until we meet again,
we'll hold your memory near.
You will always be our Grandpop,
and we will always love you.

Your Grandchildren.
