

A Good Life

When we are gone,
and people weep for us and grieve,
let it be because we touched
their lives with beauty and simplicity.
Let it not be said that life was good to us,
but, rather, we were good to life.

Love Lives On

Those we love remain with us for love itself lives on,
 and cherished memories never fade because a love one's gone
 Those we love can never be more than a thought apart
 for as long as there is memory,
 They'll live on in the heart.
