## "Oh Death"

You said my fate was sealed, you  
said my days were numbered  
Case closed with no appeal, my  
future's six feet under  
Messing with my head in ghost  
fashion, my heart was holding  
its breath  
Terrified of taking my last one,  
oh death you scared me to death

Oh, you ain't my King though  
Oh, where did your sting go?

Oh death, I will not be afraid  
In the end you will lose  
I will dance on your grave  
With the One who buried you  
You ain't nothing but a stone  
That my Savior rolled away  
Set you straight and set me free  
Oh death you are dead to me  
Oh death you are dead to me

My faith don't flinch at your  
wrath, devil go on, get off of my  
shoulder  
You thought you had the last  
laugh, you thought this song was  
over

Oh-oh-oh, you ain't my King  
though  
Oh-oh-oh, where did your sting  
go?

Oh death, I will not be afraid  
In the end you will lose  
I will dance on your grave  
With the One who buried you  
You ain't nothing but a stone  
That my Savior rolled away  
Set you straight and set me free  
Oh death you are dead to me  
Oh death you are dead to me

Yeah, though I walk through the  
valley of the shadow of you  
I know I'm just passing through  
Yeah, though I walk through the  
valley of the shadow of you  
I know I'm just passing through

Oh death, I will not be afraid  
In the end you will lose  
I will dance on your grave  
With the One who buried you  
You ain't nothing but a stone  
That my Savior rolled away  
Set you straight and set me free  
Oh death you are dead to me

Oh death, I will not be afraid  
In the end you will lose  
I will dance on your grave  
With the One who buried you  
You ain't nothing but a stone  
That my Savior rolled away  
Set you straight and set me free  
Oh death you are dead to me

Yeah, though I walk through the  
valley of the shadow of you  
I know I'm just passing through  
Yeah, though I walk through the  
valley of the shadow of you  
I know I'm just passing through  
(Oh death, you are dead to me)  
Yeah, though I walk through the  
valley of the shadow of you  
(Oh death, you are dead to me)
