OBITUARY

Nina Moats, a cherished mother, grandmother, aunt and sister was known for her humorous and compassionate personality towards all, left us on September 1, 2024. Born on June 19, 1950 Nina lived a life dedicated to her family and caring for others up until her very last days.

She is survived by her son, Donta, her grandchildren Lestina, Ronnell, Kouadio, Reggie, Ronnie, Michael, Maria, Maria(2), great granddaughter Nurah, her niece Kenmaya, her sister Delores, and many cherished nieces, nephews, in-laws and friends.

She was preceded in death by her husband Marvin, her daughters Robin and Rosalind, her mother Ida-Jean, and her siblings Vicky, Terrell, and Kenny.

She was a proud graduate of Cincinnati Public schools and eventually went on to become an entrepreneur, owning her own janitorial services company for several decades until her retirement.

Her legacy exemplified by her kindness and compassion will forever reside in our hearts. As we grapple with the loss of her physical presence, we find solace in knowing that her spirit lives on through her acts of service and love that she instilled in us.
