

Keeper of the Stars

*It was no accident me findin' you
Someone had a hand in it long before we ever knew
Now I just can't believe you're in my life
Heaven's smilin' down on me as I look at you tonight*

*I tip my hat to the keeper of the stars
He sure knew what He was doin' when He joined these two hearts
I hold everything when I hold you in my arms
I've got all I'll ever need thanks to the keeper of the stars*

*Soft moonlight on your face oh, how you shine
It takes my breath away just to look into your eyes
And I know I don't deserve a treasure like you
And there really are no words to show my gratitude*

*So I tip my hat to the keeper of the stars
He sure knew what He was doin' when He joined these two hearts
I hold everything when I hold you in my arms
I've got all I'll ever need thanks to the keeper of the stars*

*It was no accident me findin' you
Someone had a hand in it long before we ever knew*
