

We, the Teuscher family, want to express our heartfelt gratitude for the love, support, and kindness shown to us during this incredibly difficult time. The messages, visits, prayers, and acts of service we have received have brought us comfort as we mourn the loss of our husband, father, and grandfather, Cory.

Cory lived a life full of passion for his work, his faith, his family, and the things he loved most. It has meant so much to hear the stories, memories, and impact he had on so many of you. Your support has been a source of strength and a reminder of the lasting influence of his life.

Thank you, from the bottom of our hearts, for standing with us, remembering him, and surrounding our family with so much love. We will carry that with us as we honor him and move forward together.
