My Mother.....

I don't remember a day we didn't have food to eat
 Or a day we had no shoes on our feet.
I don't remember not having a roof over our head
 Or not being able to lie in a bed.
 There were eight of us, five girls and three boys,
 Some years there simply were not enough toys.
My mother always made sure we looked after each other,
 That was instilled in her by her grandmother.
 Being a single parent is hard to do by yourself,
 It could have taken a toll on her health,
Some days my mother may not always been tender and kind,
 But I'm sure she still had all of our best interests in mind.
 My Mother, at eight, still does what needs to be done,
 For her family, especially her bedridden son.
My mother is still here for us whatever the need may be,
 I pray and thank God that all her children will see.

The LORD is my *Shepherd;*
I shall not want.
 He maketh me to
 lie down in green pastures:
 He leadeth me beside the still waters,
 He restoreth my *soul:*
 He leadeth me in the paths of righteousness
 for His name's sake. Yea though I walk through the
 valley of the shadow of death.
I will fear no evil:
for Thou art with me;
 Thy rod and Thy staff they comfort me.
Thou preparest a table before me in the presence of mine enemies
Thou anointest my head with oil; My cup runneth over
 Surely goodness & mercy shall follow me
 all the days of my life;
 And I will dwell in the house
 of the LORD *forever.*
 - Psalm 23
