A GENTLE THANKS

We thank you for the love you've shown, For every call, each kindness known. Through tears and loss, your hearts stood near, A steady light when skies weren't clear. Your prayers have been a tender balm, Your words a quiet, healing calm. Though grief still lingers, we can see, The gift of friends and family. In memory's glow, our hearts will keep, The love that runs both strong and deep. And as we walk this road anew, We carry part of them— and you.
