"Hero"

You held my hand when I was small

You caught me when I fell

You are the hero of my childhood

And my later years as well

And every time I think of you

My heart still fills with pride

Though I will always miss you

Dad

I know you're by my side

In laughter and in sorrow

In sunshine and in rain

I know you're watching over me

Until we meet again.

Your girls,

Veronica and Millicent
