Always in My Heart

I always think of you.
I still call out your name.
For you are always here with me
Though things are not the same.

I think of all the love we've shared
Even though you're out of sight.
I could never say goodbye to you.
I've only said goodnight.

Although it hurts without you,
We're never far apart.
You will forever be with me
You are always in my heart!
