## *A Letter From Heaven*

When tomorrow starts without me  
and I'm not there to see;  
If the sun should rise and find your eyes  
all filled with tears for me,  
I wish so much you wouldn't cry  
the way you did today;  
While thinking of the many things  
we didn't get to say,  
I know how much you love me  
as much as I love you;  
And each time that you think of me,  
I know you'll miss me too.  
When tomorrow starts without me,  
don't think we're far apart  
For every time you think of me,  
I'm right here in your heart.
