Messages From The Heart

Your love was a quiet light that warmed our days and guided our steps.
Even in your absence, that light still shines—soft, steady, and
unforgettable.

We hold your laughter in our memories, your kindness in our actions,
and your spirit in the places where love still lives.

Though we miss you deeply, we carry you with us—
in every story we tell, every smile you inspired,
and every moment that reminds us how beautifully you lived.

Your life touched ours in ways words can never measure.
Your memory will forever rest gently in our hearts.

Help Us to See and Understand

God, give us wider vision
To see and understand
That both the sun and showers
Are gifts from Thy great hand,
And when our lives are overcast
With trouble and with care,
Give us faith to see beyond
The dark clouds of despair,
And give us strength to rise above
The mist of doubt and fear
And recognize the hidden smile
Behind each burning tear.
Teach us that it takes the showers
To make the flowers grow
And only in the storms of life
When the winds of trouble blow
Can man, too, reach maturity
And grow in faith and grace
And gain the strength and courage
To enable him to face

Sunny days as well as rain,
High peaks as well as low,
Knowing that the April Showers
Will make the May flowers grow,
And then at last may we accept
The sunshine and the showers,
Confident it takes them both
To make salvation ours!
