Tributes

To Our Beloved Father

There are no words to tell you what losing you has meant to us, but now each day brings memories of happy days that we spent with you. You'd want us to smile again and that's just what we do every time we reminisce with loving thoughts of you. Our love for you will always remain the same. Even though you are no longer here, God needed you more and with God there is no fear. We love you and miss you so much.

Our Dear Brother

Our love for you will always remain the same, even though you are no longer here. God needed you to be with him and with God there is no fear. We may shed a tear here and there because we will forever miss you. We may fall down, but we will get back up just like we always do.

Our Loving Granddad

A million times we will miss you, a million times we will cry. If love alone could've saved you, you never would have died. In life we loved you dearly, in death we love you still. In our hearts you hold a place no one else will ever fill. The Golden gates stood open, and God saw you needed rest. Although we wanted you to stay, God knew what was best.
