Goodbye

*I never got the chance to say I love you,
I never got the chance to say I will miss you,
Nobody told me that you were going to die,
It hurts, I never said Goodbye
Where are you now, please talk to me,
Show yourself and let me see.
I know that can not happen no matter how much I try,
All I wanted to do is say Goodbye
I hope that you are happy wherever you are,
I have you in my heart no matter how far,
To the heavens above, I wish I could fly,
Only to give you a warm Goodbye
I will remember you each day that I live,
You were such a good person with so much to give,
Such a privilege to have you, no one can deny,
I think it might be time to say Goodbye
I will keep with me the good times we shared,
I want you to know just how much I really cared.
Till we meet again, on God we must rely,
I love you, I miss you and for now Goodbye*

Missing You Always Grandad

*Every time I look at the stars
I know that's where you'll be
Shining like you always do
And watching over me
Although the pain I'm feeling
Is with me everyday
The love you left inside my heart
Will never go away
Life goes on without you
But it will never be the same
And if I had my time once more
I'd do it all again
So when my days are darkest
And I just can't see the light
I'll look up at the brightest star
And you'll be shining bright
~Love, Your Grandchildren*

A Fallen Limb

*A limb has fallen from the family tree.
I keep hearing a voice that says, "Grieve not for me."
Remember the best times, the laughter, the song.
The good life I lived while I was strong.
Continue my heritage, I'm counting on you.
Keep smiling and surely the sun will shine through.
My mind is at ease, my soul is at rest.
Remembering all, how I truly was blessed.
Continue traditions, no matter how small. Go on with your life, don't worry
about falls I miss you all dearly, so keep up your chin.
Until the day comes we're together again.
~ Love, Your Sisters & Brothers*
