

When tomorrow starts without me and I'm not there to see,  
If the *sun should rise* and find your eyes all  
filled with tears for me.  
I wish so much you wouldn't cry the way you did today.  
While I'm thinking of the many things we didn't get to say,  
I know how much you love me,  
as much as I love you,  
and each time you think of me I know you'll miss me too.  
But when tomorrow starts without me please try to understand,  
that an *Angel* came and called my name  
and took me by the hand.  
She said my place was ready in heaven far above,  
and that I'd have to leave behind  
all those I DEARLY LOVE.  
But as I turned and walked away, a tear fell from my eye,  
for all my life I always thought I didn't want to die.  
I had so much to live for, I had so much to do.  
It seemed almost impossible that I was leaving you.  
I thought of all the yesterdays, the good ones and the bad,  
I thought of all the love we shared and all the *fun* we had.  
If I could re-live yesterday,  
I thought just for a while,  
I'd say goodbye and kiss you and maybe see you smile.  
So when tomorrow starts without me, don't think we're far apart,  
For every time you think of me, I'm right here in your HEART.
