

Celebrating the Life of

Gregory Frank Ennis Sr.

November 10, 1942 ~ July 17, 2025

“With no dark clouds surrounding me, I only see sunshine ahead”

Although I will miss you terribly, I regret the words left unsaid.

If I was left with just one more wish, it would have went like this,

To my children and my family, keep tight the ties that bind,

family is what matters, leave all the rest behind.

Remember me in good times, remember me in bad, remember

me through all your days and all the memories we had.

As you gather here today to say good-bye to me, push aside the
grief and sorrow, rest assured, I have journeyed back to where

I belong - at peace, at home once again.

In Loving Memory of
