## Celebrating the Life of

## Becky Kissinger Edmonds

## *Speak Their Name*

*Someone I love has gone away  
And life is not the same  
The greatest gift that you can give  
Is just to speak their name.*

*I need to hear the stories  
And the tales of days gone past  
I need for you to understand  
These memories must last.*

*We cannot make more memories  
Since they're no longer here  
So when you speak of them to me  
It's music to my ears.*
