A MESSAGE FROM CAMISHA

*To my dear family and friends,
Though I have left this world sooner
than anyone expected, please know that
my love for each of you is eternal. I
cherished every laugh, every hug, and
every moment we shared together.
Carry one another close, support each
other, and live your lives fully,
remembering the joy we created
together.*

*I may not be with you in body, but I am
always with you in spirit. Hold me in
your hearts, and let my love guide you
through the days ahead.*

*Forever yours,
Camisha*

TRIBUTE FROM HER CHILDREN

From Heavy, to My Mother

Mama,

Here's a shortened version that keeps the heart, strength, and
tenderness without losing its meaning:

You called me Heavy because of how I came into this world, ten
pounds, eleven ounces, your miracle. From my first breath, you
saw strength in me before I ever saw it in myself.

I was your firstborn, the one who made you a mother, and
everything I am comes from watching you. You carried more than
my weight; you carried love, sacrifice, and hope so I could grow.

I move through life missing your voice, your guidance, and the
comfort you gave so freely. In the quiet moments, I still reach for
you, holding onto the strength you placed inside me.

Rest now, Ma. Your Heavy is still standing, still trying, still
carrying your love forward. I will protect our family, care for
Dad, and be a positive example for my sisters, India and Asia.
Though the chain feels broken, your love lives on in your lucky
three.

Forever your son.

Mommy,

We are still learning how to live in a world without you. Every day
feels different, but you are always on our minds. You were our safe
place, our comfort, our joy, and our strength.

You taught us how to love, be kind, and believe in ourselves. Because
of you, we know we matter. We carry your laughter, your hugs, and
your voice in our hearts forever.

We miss you in every moment, but we know you would want us to
keep going and take care of each other. We promise to do our best
and carry your lessons with us wherever we go.

Mommy, thank you for loving us and being our greatest gift. We feel
you with us always.

Forever your girls,
Indiyah & Asia
