## Comfort From Above

Face to face, your Mother and I,  
Safe here with Me, so please don't cry.  
She has not left you, nor did she die,  
She's here with me, safe in the sky.  
Hand in hand, your Mother and I,  
Walking together where the angels fly.  
Here with Me, there's peace all around;  
No pain or sorrow, only joy can be found.  
So, remember her smile, as bright as the sun,  
Her life has not ended; it's just only begun.  
Side by side, your Mother and I,  
Watching over you from the deep blue sky.  
She's in your heart and so deep in your soul,  
She will always be with you wherever you go.  
So cherish the memories,  
That are so dear to your heart;  
Not even eternity can keep you apart.
