

“Through the Years”

I can't remember when you weren't there.
When I didn't care for anyone but you
And I swear, we've been through everything there is.
Can't imagine anything we've missed.
Can't imagine anything the two of us can't do.

Through the years, you've never let me down,
You turned my life around.
The sweetest days I've found, I've found with you.
Through the years, I've never been afraid.
I've loved the life we've made.
And I'm so glad I stayed right here with you
Through the years.

I can't remember what I used to do.
Who I trusted, who I listened to before.
I swear you've taught me everything I know.
Can't imagine needing someone so.
But through the years, it seems to me I need you more and more.

Through the years, through all the good and bad,
I know how much we had.
I've always been so glad to be with you.

Through the years, when everything went wrong,
Together we were strong.
I know that I belong right here with you.
Through the years, I've never had a doubt
We'd always work things out.
I've learned what life's about by loving you,
Through the years.

Through the years, it's better everyday.
You've kissed my tears away.
As long as it's okay, I'll stay right here with you...
through the years.

Ecclesiastes
Or the Preacher

Chapter 3

“...To everything there is a season and a time to every
purpose under the heavens;
A time to be born, and a time to die; a time to plant, and a
time to pluck up which is planted;
A time to kill, and a time to heal;
A time to break down and a time to build up;
A time to weep and a time to laugh;
A time to mourn, and a time to dance...”
