Forever in Our Hearts

You held us close with tender hands,
A loving husband, our guiding man.
Through every challenge, you stood so tall,
In your warm embrace, we felt it all.
With laughter and strength, you paved our way,
In our hearts, your love will always stay.
Though you've departed, your spirit remains,
In memories cherished, your legacy sustains.
Thank you for the love that will never fade,
In our family's heart, your foundation is laid.
Forever we'll treasure the life that we knew,
My loving husband, we'll always love you.
**From your loving wife,
Dorothy Cork**

In Loving Memory of Dad

You cared for us deeply, with heart and with grace,
A guiding light, in every embrace.
Through storms and through sunshine,
you stood strong and true,
In our lives, dear Dad, we will always love you.
Though now you have left, your spirit remains,
In laughter and memories, your love still sustains.
Forever in our hearts, your legacy lives,
Thank you, dear Dad, for all that you give.
**From your children,
Quashunda, Wendell (Ike) and Jarvis**

TRIBUTES

In Memory of our PawPaw
In the gentle whispers of the evening breeze,
I hear your laughter, a sweet melody that frees.
A guiding hand, a sturdy heart,
In every lesson, you played your part.
With weathered hands and stories old,
You shared your wisdom, a treasure untold.
Through fields of gold and skies so bright,
You taught us courage, to stand for what's right.
In the rustle of leaves, we sense your grace,
A legacy etched in time and space.
Though the years may fade, and shadows grow,
In our hearts, Paw Paw, your spirit will glow.
The laughs, the lessons, everything you gave
Are woven in dreams, where love continues to flow.
In every sunrise that paints the sky,
We feel your presence, as days drift by.
So, here's to you, in the quiet of night,
You were nothing but love, a radiant light.
Though we are apart, you're never away,
In our heart's deepest corners, forever you will stay.
We love you pawpaw.

Nakira, Takira, Trevarius, Jaquavion

Gone But Never Forgotten
We thought about all the things you used to do
We thought about you yesterday and today to
Big brother you knew that you were always in our heart
Even thou we stayed so many miles apart
You will always smile whenever we call your name
We have so many memories, including pictures in a frame
Our life is so sad, gloomy and blue
Trying to live on in this life without you
There are so many things that we just don't understand
But we do know that God called you
by name and took you by your hand
We know that we don't suppose to question God why
Tears fall from our eyes as the days go by
We are deeply hurt and torn inside
The day that you left a piece of our heart died.
You are resting in the arms of Jesus,
but you will forever be in our heart
Big brother all your sibling had nothing but love for you
We never had to guess we knew you loved us to
When we got the phone call, we tried to get some rest
We were caught off guard,
but we do know God only takes His best.
Love Your Siblings
