HEAVEN'S GATES
By: Laquadra Walker

Its hard to comprehend that you're no longer here but the memories will help to keep you near.
I wish I could see you one more time. Come walking through the doors with that HUGE smile.
But I know that is impossible.
I will hear you voice your laugh never more.
The pain I feel and the tears I've cried makes living a-little harder.
Wondering why you still not close by.
The only relief I can grab on too is knowing that FAMILY was at Heaven's Gate.
With determination your family was easy to locate.
With them in your sights
Walking hand in hand
The reunion that was unplanned.
But I know with my whole heart you're ok.
And with time prayer and God's guidance I will be too!!
Love mommy ❤️
