Although you left so suddenly, all the love you gave is still here abundantly. You were the kindest brother I've ever had. There's no coincidence that you carried the family name from Pop and both grand dads. You were courageous and intelligent, it isn't hard to believe you were heaven sent. Your marathon will continue, a local celebrity at all the boxing venues ..

Love always, baby sis Erica

Saddened that you had to leave so soon, I'll cherish all the memories we shared at 1911 Boone. You went from fighting for your things to fighting in the ring. I feel like I just been struck by lightning because this will forever sting.

*You taught me strength and you gave me love.
Please continue to strike a light from above.*

Maegan and siblings

This moment is incredibly surreal I honestly don't know how I feel. My life was changed forever in the moment and it will take a while for my heart to heal. You were more than a father, you are my dad. Missing you is torture and I hurt so bad. I am grateful for all the memories we shared. The good, the bad, and even when you weren't being fair. You were my first friend, and then became my best friend. So many valuable lessons. So, before laying you to rest just know I love you unconditionally and I know it's hard for you too, missing me. So in the days to come. I'll smile as I think "don't be dumb."

I'll cherish your warm embrace and carry you with grace.

***I love you daddy,
Forever your baby bug.***

Obituary

Ernest Edward Hall 3rd, son of the late Rhoda Lee and Ernest E. Hall, II was affectionately known as Ernie Bug or EBuggy. He attended Baltimore City Public Schools where he excelled in ROTC and successfully received his high school diploma. Ernie worked numerous jobs such as catering and being a server at multiple five star restaurants.

At a young age Ernie displayed a fiery passion for boxing. His first stop was the Baltimore Boxing Club where he met Jake Smith, who ultimately became his manager, mentor, and friend where he quickly started his professional boxing career. During this time he gained an army of wonderful friends and business associates. Ernie Bug's hardwork and pure dedication never went unnoticed.

Ernie was extremely involved with in the community, particularly with the youth all over Baltimore. His strive, his grind, discipline and determination day in and day out led him to his greatest achievement, the opening of the Lightning Quick Fit Boxing Gym was born October 9, 2020.. Ernie nurtured and loved his gym with everything he had inside of him. He spent more time in the gym than anywhere else. Ernie helped so many people, and touch so many lives more than what he knew.

A true leader, and role model, Ernie left made an impression everywhere he went. The only thing he loved more then the gym was his kids. Ernie was an amazing father for 15 years having his very own shadow Nizyah(Nini) next to him every step of the way. EBuggy will be deeply missed and remembered by all who knew him.

Ernest leaves to cherish his memories his 3 children, Nizyah Mae Hall, Egypt Emerald Isis Johnson, & Ernest Edward Hall IV; sisters Jessica Thompson-Gooden, Niara Watts, Rian Watts, Maegan Watts, & Erica Hall.
