*In God's Garden*

God looked around his garden  
And found an empty place,  
He then looked down upon the earth  
And saw your tired face.  
He put his arms around you  
And lifted you to rest.  
God's garden must be beautiful  
He always takes the best.  
He knew that you were suffering  
He knew you were in pain.  
He knew that you would never  
Get well on earth again.  
He saw the road was getting rough  
And the hills were hard to climb.  
So he closed your weary eyelids  
And whispered, 'Peace be thine'.  
It broke our hearts to lose you  
But you didn't go alone,  
For part of us went with you  
The day God called you home

*Expression of Gratitude*

The family of Doris Davis would like to thank each of you for many expressions of love, care and kindness extended towards us in our time of grief. Words cannot express the weight of our loss. However, we find comfort and strength knowing that we are in your thoughts and prayers of others. We are externally grateful. The Family
