## Dear Grandma

I Love and miss you!

You were the apple of my eyes, You were by my side,  
You kept me in your loving grace, I've always had your warm embrace,  
You were the mom I never had, And you being there I am glad!

The creator has lifted your spirit, and your watching over the family I wouldn't fear it,  
I wish I was there to see you one last time, but I'm out in the world hard at my grind,  
And the Navy won't let me go, I'm in a bind, you have my heart and always will,  
May you rest in peace through GOD's good will.
