

“My Best to You”

So here's to you
May your dreams come true
May old father time
Never be unkind
And through the years
Save your smiles and your tears
They're just souvenirs
They'll make music in your heart
Remember this
Each new day is a kiss
Sent from up above
With an angel's love
So here's to you
May your skies be blue
And your love blessed
That's my best to you

Remember this
Each new day is a kiss
Sent from up above
With an angel's love
So here's to you
May your skies be blue
And your love blessed
That's my very best to you
