Getting Here:

There are many ways to get to the park (Including Presidio Go Shuttle and Muni) that are outlined on the Presidio Trust website:

<https://presidio.gov/visit/getting-to-and-around-the-park>

Location: The address is **603 Old Mason Street, San Francisco, 94129.** (If you are using an app to route you here please pay attention to the zip code and do not type in Crissy Field Center as it may lead you to our old location. We are located in the Presidio, not in Downtown SF)

Parking:

There are four locations nearby to find parking:

paid parking (\$2.50/hr) at Sports Basement
(you will walk east along Mason from the
parking lot)

paid parking (\$2.50/hr) at parking lot located
on the corner of Mason and Halleck (smaller
parking lot connected to the Crissy Field
Center)

paid parking (\$2.50/hr) at Quartermaster Reach
(along Mason, east of Halleck, across from East
Beach)

free parking at East Beach. (We recommend
parking close to the marsh bridge and taking
that path to Mason Street and crossing the
street to the Crissy Field Center)

Once you are here: Getting to the CFC Entrance

If you parked at the Sports Basement Parking lot: Walk east towards the Outpost (playground) and you will find the entrance to CFC between the field station and public restrooms. Ring the doorbell and you will be let in. You can find the field station and bathroom by looking for the orange flag.

If you parked at Mason and Halleck: walk towards the gates up the ramp between the two buildings and ring the doorbell.

If you parked at Quartermaster Reach: walk west along Mason Street towards Halleck St. Follow the path towards the gates up the ramp between the two buildings and ring the doorbell

If you parked at East Beach: cross the marsh on the bridge towards Mason St. use the cross walk at Mason and Halleck and go up the ramp towards the gates between the two buildings.
