

## *Pine Trees In Heaven*

I hope there'll be pine trees in Heaven.  
And mountains all covered with snow,  
With plenty of room to stretch out in,  
Like we have here in Idaho.

I hope there'll be pine trees in Heaven,  
To shade the clear streams where they flow,  
With water that's nectar for drinking,  
Like we have here in Idaho.

I love all the hills, streams, and valleys,  
The thought of them gives me a thrill,  
And I think I could stand leaving this world,  
If I knew they could be with me still.

And if there aren't pine trees in Heaven,  
I Hope there's some place I can go,  
Where they'll have all the things I'll be missing,  
'Cause it's Heaven in Idaho.

"I have fought a good fight,  
I have finished my course,  
I have kept the faith".

2 Timothy 4:7
