## WORDS TO MY FATHER

*Growing up my father always told us to look after each other. It was us against the world. My dad knew it was important for my sister and I to have a bond no one could break. He left us with this to remember, "Samantha, you are the oldest, so do not let no one harm your sister and Tabatha, that goes for you too". And he meant that.*

*My dad was our protector. He witnessed for the first time an argument between my boyfriend and I. Dad was sitting at the kitchen table at 6am with a knife waiting on my boyfriend. He sat him down and told him to never take my daughter's name in vain. Best believe my dad meant it!*

*He was the funniest guy you'll ever meet. There was plenty time my dad would have everyone around him laughing. Even when things are serious, he would crack a joke.*

*The words of his daughters "Dad you raised two beautiful women. You no longer have to worry about us. Have no regrets and be at peace. For we will continue to make you PROUD!"*

*Thanks to Nathaniel Schaffer and Zoronna Ellis for the love and lessons that we will use in this life. We will miss you dearly and we love you.  
Sincerely Your Daughter,  
Samantha Schaffer*

## DADDY

*God saw you getting tired,  
And cure, it was not to be.  
So, He put his arms around you  
And whispered "Come to Me".*

*With tearful eyes  
We watched you suffer and  
Saw you slowly fade away.  
Although we loved you dearly,  
We could not make you stay.  
A golden heart stopped beating,  
Hard working hands put to rest.*

*God broke our hearts  
to prove to us,  
He only takes the best.  
Love You Always.  
Tabatha "Big Nasty"  
And Your Grandkids*

*As long as you are with me, never be  
scared.
