The family of the late Travis "Peanut" Brown wishes to express our sincere and heartfelt appreciation to all who sympathized with us during our recent loss. May God bless you all.

Miss You Always

It broke our hearts to lose you, you did not go alone.
For part of us went with you, the day God called you home.
You left us beautiful memories, your love is still our guide.
And although we cannot see you, you are always at our side.
~Love, Your Family

Letter to my Brother in Heaven

They say there is a reason, they say time will heal;
neither time or reason will change the way I feel.
Gone are the days we used to share, but in my heart you are always there.
The gates of memories will never close;
I miss you more than anybody knows.
Love and miss you everyday, 'till we meet again, always and forever.
~Love, Your Siblings

Footprints In The Sand

One night I dreamed I was walking along the beach with the Lord.
Many scenes from my life flashed across the sky. In each scene I noticed
footprints in the sand. Sometimes there were two sets of footprints,
other times there was only one. This bothered me because I noticed that
during the low periods of my life, when I was suffering anguish, sorrow,
or defeat, I could only see one set of footprints, so I said to the Lord, "You
promised me Lord, that if I followed you, you would walk with my always;
but, I have noticed that during the most trying periods of my life there
has only been one set of footprints in the sand. Why, when I needed you
most, have you not been there for me?" The Lord replied, "the years
when you have seen only one set of footprints,
my child, is when I carried you."
