

Dreaming

Life means nothing without the ones you love
Being happy for just to have met you was a blessing of it's own
But to be apart of your life was even better
Able to laugh and see your smiling face
Even though there was ups and downs
I wouldn't trade you in for the world
I thank God that you were apart of my life
You will always be my Father, my Grandfather, my Great Grandfather,
Brother, and my Friend
To have lost you was the saddest day
But to have had you was my precious moment
I will never forget the times that we had even when times got rough
I will always cherish the times we shared
So while you sleep till we meet again
I will be sleeping as well dreaming of you

By,
Bria J
