

We Give Her Back

We give her back to you O Lord, who first gave her to us. And as you did not lose her in the giving, so we do not lose her by return. For what is yours is ours also, if we belong to you. Life is unending and undying. And the boundary of this mortal life is but a horizon. And a horizon is nothing save the limit of our sight. Lift us up strong Son of God that we may see further. Close our eyes that we may see more clearly. And while you prepare a place for us, prepare us for that happy place that we will be with you and with all those who we love forever more. Amen
