## MY WAY

And now, the end is near  
And so I face the final curtain  
My friend, I’ll say it clear  
I’ll state my case, of which I’m certain  
I’ve live a life that’s full  
I traveled each and every highway  
And more, much more than this  
I did it my way.

---

Regrets, I’ve had a few  
But then again, too few to mention  
I did what I had to do  
And saw it through without exemption  
I planned each charted course  
Each careful step along the byway  
And more, much more than this  
I did it my way.

In loving memory of our Dad  
*Cassonya, Lonnie, Kioma and Devin*
