Deep in my heart, I dont think I could live this life without you. You could have told me anything and I wouldnt tell a soul. I went everywhere you did- how do I move forward without you watching my back. I wish that God could have spared you if just for a few more years. Rest in peace Big Brother. Thanks for everything you have done for me-im just not ready to let go. I pray that God has given you the crown you have truly won. I love you Bubby.

MESSAGE FROM MOM AMILA

I don't want to imagine life without you; nights are dark, you were my glue. As the days have gone by since you left, I can't even pave myself. I would give anything to hug you one more time... then I realize you were never mine. Heaven sent is what you are, my second born and my shining star. This hurts so badly and I am sad, but I know in my heart this will not be our last. Rest up baby boy,
-Love momma.

MESSAGE FROM STEPFATHER ANTONIO JAMES.

Rashad, ever since I came into your life, you have never changed who you were. You remained humble from a young man into a grown man. I watched you grow into a man with a strong passion for your music and for your family. Your dedication for both is what I admired most. You made me a better man and gave me the strength to keep striving to do better for us. You never changed; you always stayed the same laid back and chill person. We all know you could get "Rari" though. I will love you forever, son. I will never forget there would be days it was just me and you in the garage- I'm watching the game and you chilling and rapping. I will never forget coming home from work, I pull up I hear the music blasting. lol I knew you were home. The garage will never be the same. I thank you for keeping your word I told you to watch over your mom and sister while I was gone. You told me, "I got you squirrel, On Me!" Even until the end, sick and all you kept your word. I appreciate you. You held it down until I got back. You left before I could say thank you, son. Thank you for being a man and protector. Thank you, Shad you truly will be missed. I've got our family from here. Rest easy, I got it from here Shad-On Me!!

FROM BROTHER DA'SEAN

I can't fathom the words I really want to tell you right now, lil brudda. Just know I love you to infinity & the afterlife. I'm still walking with you every day because we will forever be inseparable. I appreciate all the stuff I learned from you, my younger brother, even though I would never admit it to you. We just soaked up game from each other as we grew together. WE RAISED EACH OTHER. My best friend. I'm proud of you and everything that you accomplished here in your prime. The love you showed out here was forever authentic. As I continue what we started, just help me out along the way like we promised, but don't forget to get your rest. I LOVE YOU KUJO.
