

In Loving Memory of

"You came into the world with turbulence. I had a rough time with my delivery, but when our eyes connected I knew it was love at first sight, a gift from God. I loved you so much. I watched you grow and develop, and before I knew it, you were all grown up. You were a man, innocence removed, a mind of your own. We had our differences, but I still loved you with all my heart and soul. It is hard for me to say good bye, but God promised me that I would see you again. Thank you dear heavenly Father for the gift of my precious son. He returns to you with his innocence restored."

Love, Your Mother
