FOREVER IN OUR *Hearts*

Letter To My Uncle

They say there is a reason They say time will heal;
Neither time nor reason will change the way I feel Gone are the days We used to share, But in my heart You are always there. The gates of memories -Will never close; I miss you more than Anybody knows... Love and miss you every day till we meet again.
Always & Forever

My Brother

The moment that you left me, my heart was split in two. One side was filled with memories; the other died with you. I often lay awake at night, when the world is fast asleep. And take a walk down memory lane with tears upon my cheek. Remembering you is easy; I do it every day. But missing you is a heartache that never goes away. I hold you tightly within my heart, and there you shall remain. Life has gone on without you, but it can never, ever be the same

My Son

TR, I honestly don't know what to say. I'm lost. You hurt me, and my heart is broken. 💔 Not only am I hurting, but Carson is hurting too. 💔 Right now, it's just me and Carson, and we don't know what to do. He's crying, I'm crying, and we're both lost. We are going to miss you so much. Lord knows how much we'll miss you. I know God said He wanted you, but I'm still struggling to say goodbye.

Dad loves you, son. I can't eat. I can't sleep. Carson doesn't want anyone in your bedroom. He says he doesn't want to spend the night because you're not coming back through that door. I told him, "I know, baby. I feel the same way."

I'm going to try to stay here, but if I can't, I may have to move. It's going to be so hard being here knowing you're not coming through that door anymore. Everything reminds me of you.

I love you, TR. I love you so much. Carson loves you too. 💔

I hate having to say goodbye to you, son. I just wish I didn't have to. Until we meet again, know that you will forever be loved, missed, and carried in our hearts.

Goodbye, TR. 💔
