Mom...

We still see you in the places we would go, like your face is painted all around, we've been trying to forget, all the moments that we spent, because now we do it all on our own. You were like the summer but now it's winter here all on our own. If we would of known, that you wouldn't be here anymore, we would have made the moments last a little longer. Because now we're alone, and you're a memory in our minds, we would have given anything to say goodbye. If we would've known. We've been thinking about the things that you use to say, even not around, you're in our minds every day, but it's fine, we're fine, we promise that we will be okay. If we would've known.

Our beloved mother, Rosalie Castel started her journey to the Spirit World on Thursday, October 13th, at the age of 64, at the Grace General Hospital in Winnipeg, Manitoba.

Rosalie Castel was born Tuesday, November 12th 1957 in The Pas, Manitoba, to the late Marie Castel and late Leo Sinclair. She was one of five siblings, Sandra Sinclair, Nora Faulk, Tommy Sinclair and late Dennis Griffine.

Rosalie was raised in Pukatawagan, Manitoba by her late kokum Genevieve Charlotte and grew up with her other siblings Ann Louise Castel, Gladys Castel, Ernie Castel, Emile Castel, Tom Jones, Phillip (Bongy) Castel, Adam Castel and late Sandra Castel. She had talked many times about her family that raised her and shared all the teachings and stories how it was when she was growing up.

Rosalie Castel was married to the late Mark Dumas early in her life and had 7 beautiful children, Raymond Castel, Marc Castel, Nikki Dumas, Justin Dumas, Travis Dumas, Richard Dumas and her baby Harley Dumas. Rosalie loved paddling and running with her late husband Mark Dumas. They loved to be active together and always had their children with them while competing in sporting activities on and off land.

In 2003, Rosalie became a widow and continued to raise all 7 of her children on her own. Over the last 19 years she became a proud grandmother to 15 grandchildren which she enjoyed visiting and helped raise them. She loved ice fishing, fillet fish, making bannock and soup, visiting friends and family, playing poker, bingo, rummy and loved to work with her second family at the Nikawiy Health Centre.
