

*“Somewhere Over the Rainbow”*

By: Eva Cassidy

Somewhere over the rainbow, way up high

In the land that I heard of once, once in a lullaby  
Somewhere over the rainbow, skies are blue  
And the dreams that you dare to dream really do come true

Someday I'll wish upon a star  
And wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
Away above the chimney tops  
That's where you'll find me

Someday I'll wish upon a star  
And wake up where the clouds are far behind me  
Where troubles melt like lemon drops  
Away above the chimney tops  
That's where you'll find me

Somewhere over the rainbow skies are blue  
And the dreams that you dare to dream really do come true

If happy little blue birds fly above the rainbow  
Why oh why can't I?
