*Franklin Francis Jamerson*  
1945 - 2026

**Dad never said it often  
But we felt it.**

Our dad was never the type  
To say "I love you" every day.  
He wasn't loud with his feelings  
Rarely did he speak about what  
was in his heart.

But somehow...

We always felt his love.  
It was felt in the long hours he  
worked

To make sure ends would meet.  
It was felt in the quiet sacrifices  
That he never spoke about.

He stood strong when life was  
hard

So we would not see him weak.  
He never complained nor  
did he show pain

It was just "I am ok or kinda not  
really"

He didn't say the words often  
But actions spoke of his love.  
He lifted all those around him  
With his big smile and his heart  
of gold.

We will miss him  
But we will never forget him.  
For he lives through us  
With the memories past.

Dad never said it often  
But we all felt it...
