

Olivia Coronel Ayala
February 15, 1957 – May 24, 2018

Olivia Coronel Ayala passed away on Thursday, May 24, 2018 surrounded by everyone she loved.

Olivia was born in Mexicali, Baja California to Candelario Coronel Garcia and Ofelia Coronel de Robledo. Olivia lived life solely by faith; she shared the gospel with everyone she came across. Wherever God guided her, she allowed herself to be used at all times for God's honor.

Olivia constantly gave to people in need. Whether it was her time, words, money, clothes nothing prevented her from following God's direction. On May 7, 2018 she accomplished becoming a U.S. citizen, which was something she longed for many years.

Olivia had many roles, but her all-time favorite was being "Anana" to Kylee, Emma, Levi and Logan. She looked forward to spending every moment with them, watching them play or simply hearing their laughter.

Olivia leaves behind a foundation of faith that will spread through generations to come.
