Robert Lawrence Gawliuk was born in the small community of Wakaw, Saskatchewan, Friday, August 3rd, 1934. He is the eldest child of the Gawliuk family, with a younger brother named Ken. Robert always preferred to be addressed as "Bob".

Bob was very young when his family decided to move to the community of Hudson Bay, Saskatchewan. This is where he obtained most of his education. At 17 years old, Bob left home in search of employment and commenced working for the Canadian National Railway. He worked for the B&B Gang (bridge building). He worked for the B&B Gang

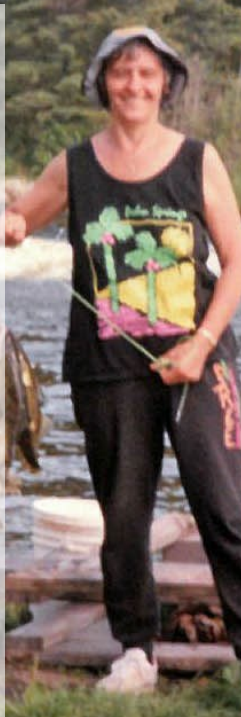

for a few years before quitting. Bob stated that he quit the gang because they were always working in the bush, and he wanted out. He submitted a transfer to The Pas, which was denied, therefore he left his job.

Bob moved to The Pas and soon landed employment working at a local service station where he changed tires and pumped gas. It was not long before he was asked to apply for the mechanic position available at the local car dealership, Carol Motors. Bob applied for the position and was hired as one of their mechanics, however, because he was a mechanic by trade, he was unable to register as a licensed mechanic. Soon after, Bob challenged the Automotive Mechanic Course and passed. Bob was now a Red Seal, licensed Automotive Mechanic. Bob retired from Carol Motors in 1992.

Bob first met his wife, Lynn Gawliuk (maiden name Phillips), when she and her brother Dan were hitchhiking to The Pas. Bob and his friend, Sam Yaremko, would see them hitchhiking frequently and they would often stop to talk to Lynn and Dan. After a while, Bob took a shining to Lynn. Bob said that everything after that was history. Bob married Lynn August 31st, 1956. They have one child, a son named Gary. Bob also has a daughter-in law, Mary; a grandson, Gary; a granddaughter-in-law, Dawn; and two great grandsons, Grady and Ozzy. Other significant people in Bob's life include the McLauchlan family, the DeBeer family, the Zaharia family, and the Dubé family.

Bob's religious affiliation is the United Church. He enjoyed gardening, fishing, outdoor activities, handiwork, and painting. He was very creative and crafty. In Saint Paul's, Bob loved to do puzzles. When they were completed, he would glue them together and they were seen hanging all over the care home. Family described Bob's personality as easy going, not fussy, and social. Bob loved to visit with people. He always had a warm smile and knew how to light up a room.

Bob was admitted into Saint Paul's Personal Care Home October 1st, 2018. Bob passed away unexpectedly in the care home Sunday, December 29th, 2024. Bob was predeceased by his parents, Michael and Mary Gawliuk; his younger brother, Ken Gawliuk; and his in-laws Anastasia and John Phillips.

Lynn Violet Gawliuk was born Sunday, November 3rd, 1935, in The Pas, Manitoba. She attended school in her hometown and later moved to Flin Flon, Manitoba, where she lived for several years. After her time in Flin Flon, Lynn relocated to the community of Fork River, Manitoba. Eventually, she made the decision to return to The Pas, the place where her journey began.

Throughout the years, Lynn had worked for various businesses located in The Pas; however, in 1964 she obtained employment working for St. Anthony's Hospital. Lynn was hired to be the manager for the Admissions Department. Lynn worked for many years in the Admissions Department at St. Anthony's Hospital until her retirement in 1994.

Lynn married Bob Gawliuk August 31st, 1956. Together they raised one child, a son named Gary. Lynn also has a daughter-in law, Mary; a grandson, Gary; a granddaughter-in-law, Dawn; and two great grandsons, Grady and Ozzy. Other significant people in Lynn's life include the McLauchlan family, the DeBeer family, the Zaharia family, and the Dubé family. Lynn's religious affiliation is the United Church.

Lynn enjoyed participating in various sporting events; however, she especially loved playing fast-pitch softball. Lynn played fast-pitch softball for many years in The Pas Women's Softball League and played for the team The Saints. She wore jersey number 5 and was the first left-handed pitcher to pitch in The Pas Women's Softball League. Lynn was also team captain for her softball team, The Saints. Lynn and Bob enjoyed camping with their grandson, Gary, when he was a child at Iskwasum Lake Campground. They camped at Iskwasum for many years. Lynn liked making cabbage rolls, baking and cooking in her leisure time. Lynn was also an avid gardener. She grew beautiful flowers, and her favourites were pink peonies and orange tiger lilies. Lynn and Bob also enjoyed watching The Price is Right and hockey. They were season ticket holders of The Blizzards.

Lynn was accepted into Saint Paul's Personal Care Home October 26th, 2016. In her time at Saint Paul's Personal Care Home, Lynn participated in various activities including bingo. Her room was filled with many stuffed animals and winnings from her games. Lynn was jovial in her time at Saint Paul's and maybe even a bit mischievous. You could often find her zipping around on her scooter. Lynn and Bob both resided on Anna's Avenue in Saint Paul's Personal Care Home.
